Evidence Storage Solutions

Organize and store your evidence in a secured storage system designed to save valuable floor space while preserving the integrity of evidence until it is presented into the court of law.

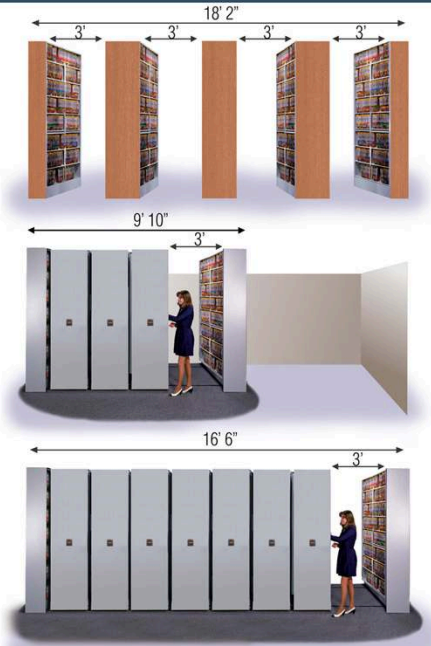

Personnel Duty & SWAT lockers

Heavy-duty welded lockers with high security hinges and interiors designed specifically for law enforcement and SWAT Team use.

Evidence Intake Lockers

Designed to ensure that deposited evidence remains within the "Chain of Custody" until removed and processed into the property room by authorized personnel.

High-Density Mobile Shelving Concept

This space saving storage system can store anything from files to pallets! In most situations your storage space can be cut in half, and compared to traditional file cabinets your space could be cut to a third.

Forensic & Crime Lab Furniture

Design your crime lab with stainless steel or anti-microbial finishes to maintain your evidence integrity. Modular lab casework allows you to move and modify lab furniture on demand.
