

Efficient Storage Solutions to Save Your Library Time and Money

SOUTHWESTSOLUTIONSGROUP
business organization systems

Mobile Compact Shelving

The most space efficient storage system available. This system will give you the greatest book storage capacity in the least amount of floor space.

Library Book Storage Shelving

This book shelving is flexible. Adding & adjusting shelf openings is a snap. Reconfiguring a row is easy and you don't need extra parts.

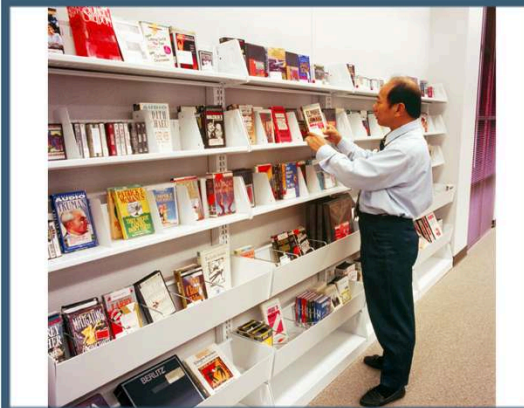

Magazine & Periodical Storage

This space efficient storage system is excellent for those hard to store library items like newspapers, magazines, and oversized maps.

Data Library Solutions

This is the most space efficient equipment available for audio-visual & data storage. These units can store videos, CD-ROMs, cassettes, microform, and data tapes.

Periodical & Special Displays

These shelves will organize and display periodicals & other special items. Units are flexible and easy to reconfigure as your needs change.

Book Storage Lockers

These lockable compartments allow you to secure items where they belong and eliminate the need for rooms designed for secured items.

Compact Storage Features

These compact library storage systems include numerous standard and optional features (safety, fire protection, ADA requirements, ventilation, security, lighting interfaces) to protect users and stored materials.

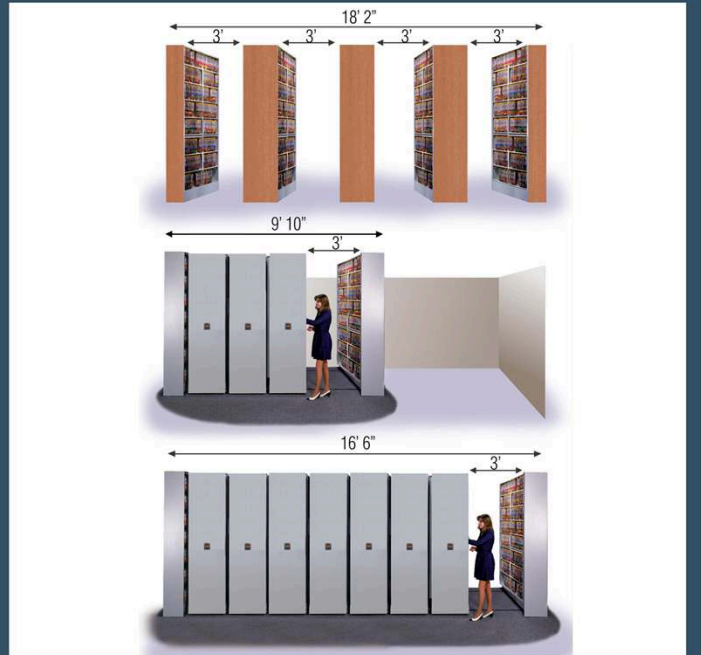

Library Furniture

A wide variety of library furniture including carrels for study areas, atlas storage, tables, and custom furniture to fit your special library needs.

Oversized & Special Collections Storage

This library storage shelving is strong and flexible to store oversized items. Shelving is easily adjustable, mobile ready, and flexible to store a variety of collection items.

Archival Box Storage Systems

This library box shelving system can store any type & size of box made. Our library shelving is adjustable providing you with the flexibility to store different sized materials & boxes within the same shelving units.

High-Density Mobile Shelving Concept

This space saving storage system can store anything from files to pallets! In most situations your storage space can be cut in half, and compared to traditional file cabinets your space could be cut to a third.
