

Borroughs Modular Drawer Systems

Easy answers to tough environments.

Strength.

Borroughs *Modular Drawer System*

Heavy-gauge steel cabinet is MIG welded for strength, stability and long life in high-volume drawer cycling applications.

Heavy-duty drawers with full-height sidewalls hold up to 400 pounds.

Full-width aluminum handle features integrated label holder, paper insert, non-reflective mylar cover, and tapered plastic end cap.

Strong 11-gauge guide rail. Plug-in design means easy adjustment to fit a variety of drawer combinations and sizes.

Full drawer extension allows easy view and access from front or side.

Drawer slides have 6 steel ball bearings and 4 roller bearings for smooth operation and long life.

Forklift base for easy relocation, even of fully-loaded cabinets.

In Numbers.

Optional removable kickplate provides clean look and prevents dirt and other items from collecting under cabinet.

Borroughs Drawer System Accessories and Colors

From small parts such as fasteners and connectors to delicate measuring equipment, cutting tools, and electronic parts, Borroughs modular drawer accessories provide the ultimate in flexibility. Drawer partitions and dividers, grooved plastic trays, plastic bins, and anti-static bins are just a few of the accessories that enable you to create an almost endless variety of drawer configurations.

Borroughs Standard Powder Coat Colors

Borroughs powder coated finishes are high quality, durable, and inert. The six standard colors shown here are available with no up-charge. We also offer custom color matching using Borroughs computerized technology.

The colors depicted on this publication have been reproduced using a printing process and are only provided as a guide. The actual painted product may vary. All colors are not available on all products. Please contact your Borroughs Distributor for details.

Borroughs Distributor
