

Gun Racking Systems

Maximum gun/weapon evidence storage space.

Pacific Concept's gun racking systems are the most efficient method of evidence room gun/weapon storage available.

Racking systems and storage bags can be customized to meet a wide variety of requirements and physical layouts.

- ✓ Custom-designed to fit the specific requirement of each application.
- ✓ All racks manufactured from heavy gauge, chrome-plated steel for long life.
- ✓ All units are designed for easy installation.
- ✓ Creates rapid location and retrieval of weapons.
- ✓ Heavy-duty canvas or nylon reinforced vinyl tarpaulin.
- ✓ Bags available with optional lockable heavy-duty brass zippers.
- ✓ High storage capacity-typical 8' sections hold 360 handguns.
- ✓ Rifle and shotgun storage bags also available.
