For nearly thirty years, Spacesaver has been a pioneer in the storage industry, earning forty patents and thousands of satisfied customers along the way. Today, thousands of libraries around the world rely on us for consistent quality, shelf after shelf, frame after frame.

Whether school, academic, special, or public, we have the experience to respond creatively and comprehensively to your library's needs. Today, you not only need to shelve media, but also display and merchandise it. We are continually expanding our line of specialty shelves and accessories to keep up with the demands of today – and tomorrow. At some point you may need to reconfigure – that's where Spacesaver Library Shelving products really pay off. Every shelf, frame and accessory is made to the strictest standards to ensure simple reassembly. And since Spacesaver shelving is designed for static and mobile configurations, you can achieve maximum capacity no matter how you arrange your library.

ASSEMBLY NUMBERING SYSTEM

The assembly part numbering system for Spacesaver Cantilever Library Shelving Products describes the individual assembly in detail. This system will simplify your ordering and provide a quick reference to the size of related parts included in an assembly.

CBS36090990S1G

09—Actual Base Shelf Depth

90—Frame Height
 (42", 66", 78", 84" or 90")

S—Starter, **A**—Adder

1—3/4" Base Shelf or **3**—3" Base Shelf

G—Gusseted Assembly

ACTUAL vs. NOMINAL DIMENSIONS

All shelf depth dimensions in the catalog number are actual. For library nominal dimensions, add 1" to the actual depth. See diagram below.

MOBILE GUSSETED UNITS (For use on Spacesaver mobile carriages.)

SINGLE FACE (Adder Assemblies)

If an Adder Assembly is desired, change the suffix "S" to "A" when ordering, e.g.: CBS36070790A1G.

NOTE:

- Single Face Starter Assemblies include two (2) Gusseted Base Supports, whereas, Single Face Adder Assemblies include one (1) Gusseted Base Support on the right end.
- Assemblies do not include Canopy Top, or Levelers.
- Assemblies only available in 36" widths. If 24" or 30" wide units are desired, this must be done using component catalog numbers.
- For other heights, consult factory.
- All shelf depth dimensions in the catalog number are actual. For library nominal dimension, add 1" to actual depth.
- All single face units must be anchored to the floor, platform, wall or overhead.

DOUBLE FACE (*Starter Assemblies*)

NO. OF LEVELING FEET PER KIT	ACTUAL BASE SUPPORT DEPTHS	CATALOG NO.
4	14", 16" & 18"	CDFL0608
6	20", 22", 24", 26" & 32"	CDFL0915

NOTE: • Order one (1) kit per base support.

WALL ATTACHMENT BRACKET

For attaching single face Welded Frames to a wall.

CATALOG NO.

CWAB

NOTE: • Fastening hardware not included since wall material may vary.

OPTIONS

INTERMEDIATE WALL FILLERS

Fills the rectangular void created when two single face sections are placed at a right angle with a double face section. Specify overall unit depths (ds & dd) and frame height used (ht).

CATALOG NO.

CIF-dsdddsh

NOTE:

- ds = overall depth of the single face unit in inches (including the 2" frame)
- dd = overall depth of the double face unit in inches (including the 2" frame)
- ht = height of the adjoining Welded Frame, e.g., CIF-11201184 (for shelves with an actual depth of 9").

CORNER FILLERS

Fills the corner void created when single face sections are placed at right angles. Specify overall unit depths (dsds) and frame height used (ht).

CATALOG NO.

CCF-dsdsht

NOTE:

- ds = overall depth of the single face unit in inches (including the 2" frame)
- ht = height of the adjoining Welded Frame, e.g., CCF-111184 (for shelves with an actual depth of 9").

OPTIONS (Continued)

END PANEL MOUNTING BRACKETS

For use on both Metal End Panels and Laminate End Panels when Canopy Top is not used. Double face bracket shown.

Use to finish off the exposed ends of shelving ranges. Metal End Panels are 1-1/2" thick.

NOTE:

- End Panels should be sized to cover the overall base depth. (overall base shelf depth = actual shelf depth + 2" frame.)
- End Panel Mounting Brackets sold separately. See page 19.
