# Build the space **you need.**

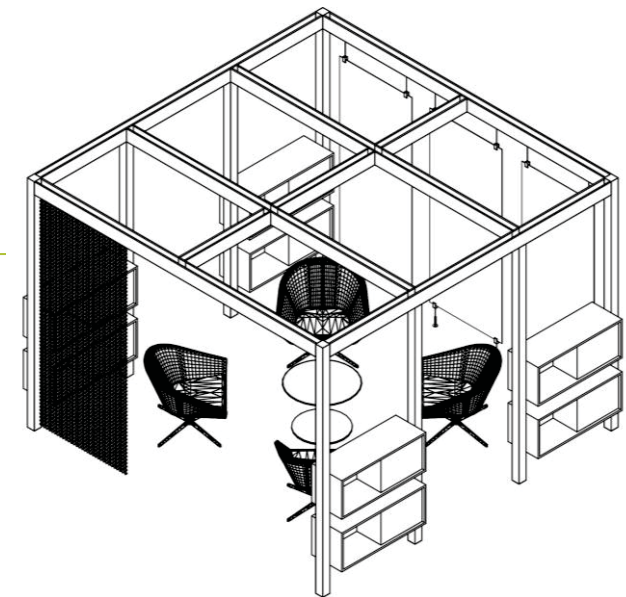

From a simple structure to an intelligent space with powerful capabilities, Interval brings in-between spaces to life.

**1** Define your space.

**2** Bring it to life.

**3** Give it purpose.

# Frame *your* ideas.

SOUTHWEST**SOLUTIONS**GROUP  
*business organization systems*

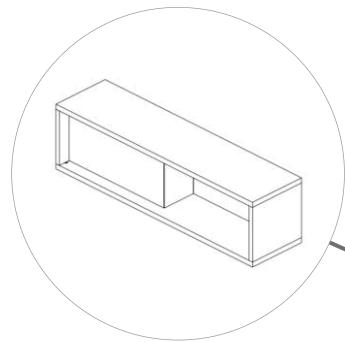

Interval offers simple planning and flexibility. Anodized aluminum construction is solid and durable, yet offers aesthetic appeal and complements adjoining spaces.

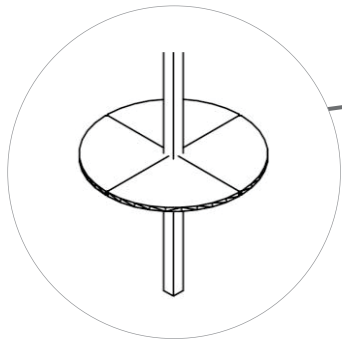

- Build in-between spaces in existing workplaces.
- Integrates with existing furniture.
- Connect at 90°, 120° and 135°.
- Easily reconfigurable.
- Changes are clean with none of the conventional disruptions or delays.

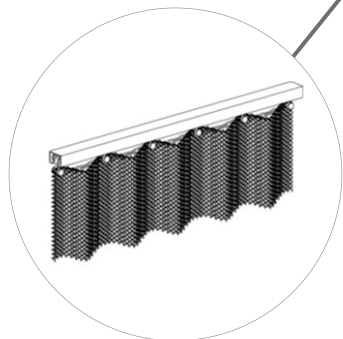

Choose from a wide range of in-fill components including storage, privacy screens, surfaces and more with Interval+. Add or subtract components as your needs evolve.

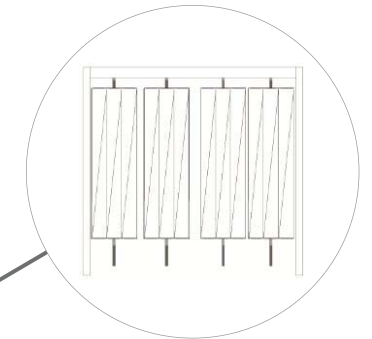

storage bins and shelves
