### **Increased Productivity**

- Lift and carry up to 600 lb (272 kg) (people and materials), at working heights up to 16 ft (4.88 m).
- Extra-large material tray handles more boxes, supplies and tools
- Preventive maintenance programs keep machines in top working condition and lower your cost of ownership

### **More Versatility**

- Clean design and non-marking tires
- Advanced joystick controller provides one-handed control
- Zero turning radius; MSP Series turns on its own axis
- Compact design ideal for working in confined areas — warehouses, stores, office areas, schools, and other indoor environments
