Prefixes:

CRT Series –
Brushed stainless solid top.

CRPT Series –
Brushed stainless perforated top (3/4" dia. holes on 1" center).

SEP Series –
Electropolished solid top.

EPCRT Series –
Electropolished perforated top (3/4" dia. holes on 1" center).

To model number when ordering. For example, **CRT2436T** indicates a table with a brushed stainless solid top.

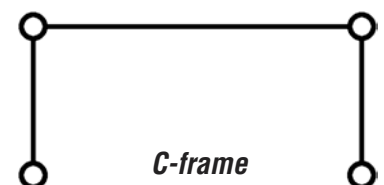

* For CRT and SEP Series, add 10 lbs. to weight.

There are two steps in ordering a cleanroom table:

- 1) Choose a tabletop (see above)
 - 2) Choose a base frame (see bottom of page)
- Each order must be specified

H-frame stainless	H-frame electropolished
knocked down, included in table price	

C-frame stainless	C-frame electropolished
knocked down, included in table price	

Cleanroom Table Base Frames

The following options are not included in the table price.

Contact customer service for pricing.

- Welded construction C-frame available in stainless construction only
- Welded construction H-frame available in stainless construction only
- Solid stainless steel undershelf
- Solid undershelf electropolished
- Perforated stainless steel undershelf
- Perforated undershelf electropolished

FREESTANDING GOWNING RACKS

with Hanger Rail

shown with single gowning rack – freestanding for non-removable hangers

shown with double gowning rack – freestanding for removable hangers

shown with cantilevered gowning rack – freestanding for removable hangers

- Stainless steel construction offers a non-contaminating surface that eliminates particle shedding
- Electropolished models feature electrochemically passivated surfaces for the most demanding requirements
- 75" (1905mm) height
- Hanger slots are standard 3" (76mm) centers, but other center configurations are available

Also available with wire shelving components and as a wall mounted gowning racks.
